Big enough to stock thousands of wire, cable, and tubing items (including many unusual, hard to find "specials"), yet small enough to offer personal service, Jaguar Industries, Inc. is the perfect supplier for your requirements.

It is impossible to list every style of wire, cable, and tubing that Jaguar Industries, Inc. offers. Contact our office for your special needs. Large and small orders are handled with the same prompt, efficient service. If we can't supply an item, we will try to recommend an alternative source.

In addition to the listed catalog items, Jaguar can supply the following value added services:

- STRIPE**
- CUT**
- TWIST / CABLE**
- DYE**
- TIN-DIP**
- TERMINATE / CRIMP**
- JACKET**
- RESPOOL**
- BRAID / SHIELD**
- TEST**
- MARK**

Although the information in this catalog has been compiled from sources presumed to be reliable, Jaguar Industries, Inc. can not be responsible for incorrect data, typographical errors, or printing errors.
